Reverend Sam Jones's Widow Gets \$1,000 per Year for Life

The name and the fame of Rev. Sam P. Jones have gone over the nation. While the noted evangelist preached the Gospel with great power, it now transpires that he provided for his wife with great good sense. As a result of this foresight and self-denial

The Mutual Life Insurance Company

is now paying Mrs. Jones \$1,000 per year, and will continue to do so during her life. In a recent letter Mrs. Jones thanks the Company for the way in which this matter has been handled. This is all good for Mrs. Jones, but how about the woman yet unprotected and the man yet uninsured? The need is great and certain. The Company is strong and ready. Write and learn more about how such protection can be secured.
